"Design For The People
is a vision of creating
cool design products at
a price everyone can
afford. Design with a
Nordic heart extended
for people all over the
world."

ARTIST 40
designed by
Børnelycke mdd
Designed in Denmark

Børnelycke is driven by an
uncompromising urge and
desire to work constructively
and innovatively. He started his
career in 1988 with the design
of lamps, luminaires and interior
spaces. Quickly he became
known as an unconventional
architect with no whites and
flashes.
