

Keep entryway clutter at bay with this attractive bench and coat rack combo.

A cleverly designed shelf, in place above the flared crown molding,
tops the unit and offers an unexpected display opportunity.

Antique brass hooks can accommodate a number of your guests' coats or jackets with ease.

A seating area is housed above two generous drawers.

The included seat cushion adds that extra bit of comfort at day's end.

It is made of durable 100 % cotton,
with a removable cover for easy cleaning.

Attractive wainscoting forms a detailed backdrop to the unit,
making this piece a visual treat when you step into your home.
