

KID BEDROOM / Shelter

✚ Looking for an innovative solution to optimize space in your kid's bedroom without compromising aesthetics and functionality ? Our highsleeper SHELTER is the perfect answer to your needs.

✚ The smart design of Shelter is ideal for rooms with limited space as it combines sleeping, workspace and storage. This bed includes a desk with drawer, a wardrobe, and a spacious shelf to store your items, notebooks or clothing.

✚ Its rounded ladder gives an easy access to its functional 90x200cm sleeping space, the 3 compartments covered with the top shelf offer large bedside space.

✚ The harmonious fusion of warm **Jackson Oak** and **White** creates a polyvalent design, that adapts to the tastes of both girls and boys. For a perfect match, mix your highsleeper with other elements from the SHELTER range.

JACKSON OAK

WHITE

The products are made of particleboard, with a thickness of 15 et 22 mm

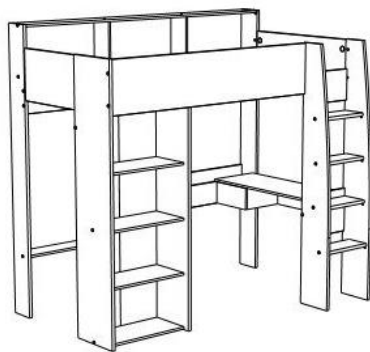

Drawers are equipped with a roller runner system
