

The Story

It's all about the weave of the Jester chair. The natural rattan is worked into mini arrow heads that come together to create a kind-of herringbone arrangement on the seat and open back. Surrounding it are thicker canes that bend and bow to form striking arms that slope downwards.

Style Tip

The thicker canes come to life when natural light gets to bounce off them so if you can, position it close to a window so it can really shine.

The Details

- Collection : Wickerworks
- Code : CR48
- Description : Jester Chair
- Materials : Rattan
- Finish : Rustic Brown
- Dimensions : H : 104 cm W : 65 cm D : 64 cm
- Other : Set of two
- Assembly : Arrives Assembled
